COMPANY OVERVIEW

COMPANY HISTORY

2018

TAYA Food Vietnam Co., Ltd. (TAYA FOOD) was established in 2018 with the ambition of becoming one of the leading seasoning distributors in the domestic market.

2020

The company expanded its investment by building a manufacturing facility for seasoned agricultural products, including flavored cashew nuts, flavored peanuts, and other snack products, primarily to serve export markets.

2022

Customer feedback helped us recognize the strategic importance of the seasoning and sauce sector within the food value chain. Consequently, TAYA FOOD transformed its business direction by investing in the development of specialized seasoning and sauce product lines to meet the needs of partners in both the FMCG and F&B industries.

Present

Today, TAYA Food Vietnam Co., Ltd. is a trusted contract manufacturer, providing seasoning ingredient solutions and OEM services—including custom manufacturing and packaging—for numerous domestic and international brands.

VISION • MISSION • CORE VALUES

VISION

To become a leading strategic partner in the seasoning and convenience food industry, serving as a reliable and sustainable supply source for food brands across Vietnam and neighboring markets.

MISSION

At TAYA FOOD, our mission is to deliver efficient manufacturing solutions that enable our partners to shorten time-to-market, optimize production costs, maintain consistent product quality, and scale their business with confidence.

CORE VALUES

Quality

We place product quality at the heart of everything we do.

Integrity

We operate with honesty, transparency, and consistency in every business practice.

Respect

We value diversity, listen attentively, and build relationships based on mutual respect.

Responsibility

We are committed to creating value for our customers, employees, and the communities we serve.

Trust

We build long-term partnerships through credibility, reliability, and professional excellence.

Compliance

We strictly comply with applicable regulations and internationally recognized food safety standards.

Social Commitment

We actively contribute to sustainable development by supporting our community and promoting responsible business practices.

BUSINESS AREAS & PRODUCT PORTFOLIO

Business Areas

TAYA FOOD specializes in providing comprehensive seasoning and sauce manufacturing solutions, including:

- Manufacturing of liquid sauces
- Production of powdered seasonings
- OEM & private label manufacturing
- Ingredient supply for F&B chains
- Ingredient supply for FMCG manufacturers

Product Portfolio

Seasoning Powders

Ideal for snack foods, potato chips, fried chicken, popcorn, nuts, and other savory applications.

Soup Seasonings

Developed for instant noodles, pho, vermicelli, porridge, and other convenience food products.

Seasoning Sauces

Suitable for dipping sauces, marinades, stir-fry sauces, hot pot bases, and a wide variety of culinary applications.

TAYA FOOD'S COMPETITIVE ADVANTAGES

WHY TAYA FOOD

Advanced Product R&D

Research and development is at the core of our business. Our dedicated R&D team develops innovative seasoning and sauce solutions tailored to diverse consumer preferences and evolving food trends.

Flexible Pilot Production

We support customers in testing new product concepts through flexible small-batch production with cost-effective manufacturing solutions, enabling faster product validation before large-scale commercialization.

Innovation-Driven Manufacturing

We continuously invest in technology, production processes, and product innovation to meet the unique requirements of different industries while staying ahead of changing market and consumer trends.

MANUFACTURING FACILITIES & EQUIPMENT

TAYA FOOD operates a modern manufacturing facility equipped with advanced production technologies designed to maximize efficiency, ensure consistent product quality, and satisfy diverse market demands.

Our production system is built around two specialized packaging lines.

Powder Seasoning Packaging Line

Production Capacity Up to 2 metric tons per day

Our automated packaging system ensures fast, accurate, and hygienic operations, allowing us to maintain consistent quality while achieving high production efficiency.

Liquid Sauce Packaging Line

Production Capacity Up to 2 metric tons per day

Our dedicated liquid filling line is equipped with specialized machinery designed for precise, hygienic, and efficient filling of liquid products. Every production batch is manufactured under strict quality control procedures to ensure product consistency and food safety.

FOOD SAFETY CERTIFICATION

ISO 22000:2018 Certified

TAYA FOOD operates under the ISO 22000:2018 Food Safety Management System, demonstrating our commitment to internationally recognized food safety standards and consistent product quality throughout every stage of the manufacturing process.
